

MERCURY MARINE WARRANTY ON IMPORTED PRODUCTS

Mercury Marine factory warranty applies to its products imported and distributed by Mercury Marine ANZP into the Australia-New Zealand-South Pacific region.

Mercury products that are imported outside the normal Mercury Marine ANZP distribution channel are not eligible for warranty. This includes Mercury Products that are:

1. Imported as engines, parts/accessories or installed on boat packages
2. Imported privately or purchased from third party (non-authorized) importers
3. Imported by purchasing on-line, through auctions or from sellers who are not authorized to sell in Australia, New Zealand or the South Pacific

Warranty on Imported Boat Brands

Mercury Marine factory warranty will apply to its products installed on imported boat packages provided:

1. It is imported and retailed by a Mercury Accredited Package Boat Importer who is the authorized distributor for the boat brand in the region.
2. Commissioning and pre-delivery inspection is performed by an authorized Mercury Marine ANZP dealer prior to sale
3. The Mercury products are registered with Mercury Marine ANZP for warranty

Important Note: If the Mercury product is removed from the imported boat package, the warranty will become void.
