

2008 Mercury Marine Boater “Bonus Bucks” for the Bassmaster Weekend Series tournaments, Divisional and Regional Championships

Mercury will award \$1,000 to the winning **boater** in each Bassmaster Weekend Series Tournament and the Divisional Championships, if the winner's boat is equipped with a 2006 or newer year Mercury outboard engine. The acceptable engine horsepower range is 115 hp through 300 hp. (Mercury Racing and MerCruiser engines are excluded from this bonus regardless of horsepower.) To receive the Mercury Championship bonus, Mercury owners must be the **original registered owner/first purchaser. It is the responsibility of the angler to make sure the engine is registered in their name with Mercury prior to competing. Non-registered engines will not be eligible.** Warranty registration line is (920)-929-5054. Note: For engines purchased from Mercury pro staff, please call the warranty line to confirm registration eligibility. Also, please double-check the boat and engine registration separately as the registration process may differ in regards to first purchaser criteria. Entrants must use this engine for the tournament. Mercury Marine reserves the right to make the final decision in all matters regarding contingency eligibility and to change or discontinue this program at anytime without notice.
