Extended Barrus-Backed Warranty for Mercury Outboard Engines

Effective for purchases from 11th April 2025 onwards

As a long-standing partner of Mercury, E.P. Barrus is pleased to offer qualifying customers an additional two years of warranty protection, extending your standard warranty coverage to a maximum of seven years on eligible Mercury outboard engines.

Warranty Coverage Details

Extends the coverage provided by the standard up to 5-year Mercury Marine Limited Warranty by 1+1 years (total of up to 7 years).

- Years 1–5: Manufacturer's warranty administered by Mercury Marine
- Years 6–7: Extended coverage administered by E.P. Barrus Ltd

How to Activate

1. Register your outboard with your Mercury Dealer to activate your standard warranty
2. Register your outboard on the official EP Barrus Extended Warranty Portal :

(scan the QR code below)

Read the full terms, conditions and exclusions attached.

The Power
Behind The Brands

Support & Claims

Any warranty claims during the extended warranty period must be submitted via an Authorised UK Mercury Dealer to E.P. Barrus, with proof of warranty confirmation and documentation showing completed servicing and maintenance schedules.

*****Extended Barrus-Backed Warranty Terms & Conditions Mercury Outboard Engines – UK, Ireland & Northern Ireland*****

1. Overview

1.1. The Extended Barrus-Backed Warranty provides an additional 1+1 years of cover on eligible Mercury outboard engines, extending the **Mercury Marine manufacturer's warranty of up to five years** (see Mercury Marine's Warranty Terms & Conditions: <https://mercurymarine.widen.net/s/hrqzb8fzm-d/2024-emea-warranty-manual-english>) to a potential total of **seven years**, covering **years 6 and 7**.

1.2. This extension is offered exclusively by E.P. Barrus Ltd and is subject to the same terms, conditions, exclusions, and maintenance requirements as set out by Mercury Marine. The extended coverage mirrors the inclusions and exclusions of the original Mercury Marine warranty and Mercury Extended Warranty and applies only to outboard engines purchased in the United Kingdom, including Ireland and Northern Ireland, and remaining in these regions for the full duration.

1.3. While Mercury Marine supports the warranty during the initial term, E.P. Barrus Ltd assumes full responsibility for warranty claims made during years 6 and 7, provided all eligibility criteria have been met.

2. Eligibility Criteria

2.1. To qualify for the Extended Barrus-Backed Warranty:

2.1.1. The engine must be purchased in the UK, including Ireland and Northern Ireland, and remain in these regions throughout the extended warranty period.

2.1.2. The warranty is available only for standard Mercury outboard engines used for leisure applications between 2.5 and 300 horsepower. It does not cover SeaPro models, Mercury Racing engines, Avator electric engines, or any units outside the standard Mercury Marine Outboard offering.

2.2. Only engines purchased on or after 11th April 2025 are eligible.

- 2.3. The engine must be registered with both:
- 2.3.1. The official Mercury Marine product registration system (typically completed by the authorised Mercury dealer), and
 - 2.3.2. The E.P. Barrus extended warranty portal. <https://forms.office.com/e/DbbqAwXq5c>
- 2.4. All servicing and maintenance must be completed in full accordance with Mercury Marine's official service schedules and guidelines.
- 2.5. Customers must retain and present both:
- 2.5.1. The original proof of purchase, and
 - 2.5.2. The confirmation of extended warranty registration when submitting a claim.
-

3. Warranty Cover

- 3.1. The Extended Barrus-Backed Warranty covers labour and parts for eligible repairs in years 6 and 7.
- 3.2. Cover applies only to the outboard engine unit. It specifically excludes accessories, rigging components, control systems, and fuel systems.
- 3.3. All warranty work must be carried out exclusively by authorised UK Mercury Marine dealers.
- 3.4. The extended warranty does not apply to any engine exported outside the UK, Ireland, or Northern Ireland.
- 3.5. All coverage is subject to the same requirements and conditions outlined in Mercury Marine's warranty terms.
-

4. Servicing and Maintenance Requirements

- 4.1. All servicing must be conducted by a Mercury-authorised service provider and follow Mercury Marine's maintenance schedule.
- 4.2. If failure to meet servicing requirements invalidates the standard warranty, this will also invalidate the Extended Barrus-Backed Warranty.
- 4.3. A complete service history and warranty registration confirmation must be retained and may be requested to support a claim.
-

5. Warranty Responsibility

- 5.1. Claims made during the standard and extended manufacturer's warranty period (years 1–5) will be backed by Mercury Marine, provided all terms and conditions are met.

Mercury Marine Warranty Terms:

<https://www.mercurymarine.com/uk/en/parts-and-service/service-and-support/warranty-coverage-and-product-protection/mercury-limited-warranty>

5.2. Claims made during the Extended Barrus-Backed Warranty period (years 6–7) are the responsibility of E.P. Barrus Ltd and follow the same terms and limitations as the Mercury Marine warranty.

6. Registration

6.1. Registration for the Extended Barrus-Backed Warranty must be completed via the Barrus online portal within six months of the engine's purchase date.

6.2. Customers will receive a confirmation document upon registration, which must be presented with proof of purchase when making a claim.

7. Limitations and Exclusions

7.1. This warranty extension mirrors all terms, conditions, inclusions, and exclusions outlined in the Mercury Marine warranty.

7.2. It does not modify or override Mercury Marine's standard warranty but acts as a continuation of cover provided exclusively by E.P. Barrus Ltd.

7.3. Engines exported outside the UK, Ireland, or Northern Ireland, or those not maintained per Mercury Marine requirements, are not eligible for this extended cover.

8. Relationship to Mercury Marine Warranty

8.1. This Extended Barrus-Backed Warranty does not replace or alter any official Mercury Marine warranty.

8.2. Mercury Marine's warranty terms may change; customers should consult the latest versions on the official website.

8.3. This warranty serves as a two-year continuation of the standard and extended Mercury warranty, offered as a goodwill extension by E.P. Barrus Ltd.

8.4. This program applies only when all conditions of the Mercury Standard and Mercury Extended Warranty (up to 5 years) have been satisfied.
